

Mike Teepee
Chairman of the Chapter Special Projects Committee

Hello, there, Michelangelo. This is a secret message written by an unknown and anonymous scriptwriter, but you need to read it carefully. SSSSHHH... It's an important secret. Keep it in your teepee, Mike Teepee! You are the chairman of the Chippewa Chapter special Projects Committee. This makes you a special and important member of the Chapter.

Your favorite special project is to make a Chapter Teepee, which the Chapter really needs (in your opinion). Today, in the meeting, you will be called on for a committee report.

YOU WILL BE CALLED ON BY BILL ARROWSMITH, Chapter CHIEF.
Please see the AGENDA for the timing of your part.

When you are called on for your committee report, you should talk about the Chapter Teepee you want to make. (It's not started yet). You are so EXCITED about the Teepee that you will talk and talk and talk and talk about it. TALK-talk-TALK UNTIL THE CHAPTER CHIEF CUTS YOU OFF!

SSSHHH...Chief doesn't expect this and will not know what to do!)

Explain about the sewing, the material, the designs, and anything else y'ou can think up. Try to get the Chippewa Chapter to agree to give you \$1,000.00 for a new Chapter Teepee. You need this much money to buy canvas, paints, poles, and other stuff. Use your imagination. But keep talking.

Mike, you are one of my favorite characters. I invented you in 1970, and have enjoyed re-writing you from time to time ever since. Now that you are 18, we need to have a long writer-to-character talk. Someday soon you will have to go out on your own and make it without me. When that happens, you will need some inside information. Here it is...

Someone else in this meeting will be making a proposal for a 4TH-OF-JULY PARTY for the Chapter. That party will cost about \$1,000.00, and the Chapter has barely \$1,000.00 in the bank right now. Can you guess what that means?

You do not like parties, and you think this is a ridiculous idea. When the time comes, you will need to STAND UP AND BE A MAN and do whatever it takes to get your point across. In addition to the PRIZES to be awarded for winning this game, I think I will turn you into a REAL PERSON after this meeting if you win.

After all, I can always invent somebody else.
Good Luck, Michelangelo.
You're gonna need it.

Mike Teepee, Chapter Special Projects Committee Chairman

How to Win This Game

Each player has different objectives in this game. To win, you may need to cause someone else to lose. There will be PRIZES for WINNERS, and nothing -- not even polite recognition for losers.

If ALL of these things happen, you will WIN. If not, you LOSE.

Check off here the things that happen

1. You must follow the instructions in your package as well as you can. This is one you can control, and your personal opinion is all that counts. You should check this one. All you need to do is DO YOUR BEST to act out your part.
- _____ 2. The Chippewa Chapter must decide to buy materials for a Chapter TEEPEE. You really need \$1,000.00, and so you can't settle for less. But they must decide to have a teepee, and to spend \$1000.00 on it. If they do, you win this check-off. No money for a teepee? Well, You lose, that's all.
- _____ 3. The Chippewa Chapter must decide to have a service project somewhere. You don't care where it is, but they have to vote to have at least one. There must be a motion and a vote, and the vote must be MAJORITY IN FAVOR of doing a Chapter service project.
- _____ 4. The meeting must not END ON TIME. As long as the Chapter Chief does not declare the meeting adjourned within 2 hours after he calls it to order, you win this check-off.

After the meeting, if you want a prize, give this sheet to CONTROL.
